Facial epilation & facial cleansing in 1 device

Facial epilator

Precisely removes finest hairs from the root.

Unwanted hair? No more.

- 10 micro-openings capture finest hairs with absolute precision.
- Noticeably faster and more thorough than manual tweezers with 200 motions per second.
- Removes 4x shorter hairs than wax.

Works precisely on delicate areas.

forehead
eyebrows:
above & between
upper lip
chin & cheeks

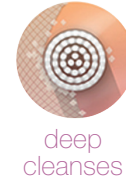

Break free from unwanted hairs.

Enjoy smooth, hair-free skin up to 4 weeks.

Facial cleansing brush

Gently cleanses skin pore deep.

Restore your skin's glow and purity.

- Gently removes make-up, oils and impurities pore deep as part of your shower routine.
- 6x more effective than manual cleansing.
- Exfoliates and refines skin via micro-oscillations.

Effective, yet gentle even on sensitive skin.

Break free from skin imperfections.

Reveal your flawless, natural glow.

Replacement brushes

Maintain your brush at its best.

To ensure maximum hygiene and performance, replace every 3 months.

Available as duo pack.

Always keep it handy

Braun Face has been designed for a life on the go and feels like a mascara in your hand.

Perfect for travel and touch ups anytime, anywhere.

So small, it fits easily in your bag
